FORTY-SIXTH ANNUAL MEETING OF THE PRESBYTERIAN HOSPITAL SOCIETY OF THE CITY OF CHICAGO

The forty-sixth annual meeting of the Hospital Society was held in the chapel of the hospital on Tuesday, January 15, 1929, at one o'clock p. m., there being about sixty-five members and guests present.

Mr. Robert McDougal, President of the Board of Managers, presided, and Mr. William A. Douglass, Secretary of the Board of Managers, acted as Secretary. The invocation was given by Rev. Alfred L. Wilson, pastor of the Kenwood Evangelical Church.

Motion was made and carried that the minutes of the last previous annual meeting be approved as rendered.

As Mr. Solomon A. Smith, Treasurer of the Board of Managers, was unable to be present, no financial report was made. However, the chairman of the auditing committee made a short report showing that the hospital closed the year without a deficit and that the full report made by the auditor would be included in the year book.

The President then called upon the various committees for their reports, following which Mrs. C. Frederick Childs, the newly elected president of the Woman's Board, told of the work of the Woman's Board for the past year.

Dr. Vernon David, president of the Medical Staff of the hospital, spoke on behalf of the Staff and Dr. Ernest E. Irons, Dean of Rush Medical College, spoke for the College.

Rev. E. N. Ware, Chaplain, gave a report of the spiritual work of the hospital for the year, while Mr. Bacon, Superintendent of the hospital, and Miss McMillan, Director of the School of Nursing, spoke of the work of the hospital and the school.

The President spoke of the needs of the hospital and urged the ministers present to call the attention of their congregations to the charity work done by the hospital, and to request them to give generous Easter contributions.

Upon the motion of Mr. Theodore A. Shaw, the following members of the Board of Managers were nominated for the class of 1932: Charles J. Rittenhouse; Wm. A. Douglass; Fred A. Poor; Theodore A. Shaw, Holmes Forsyth and John P. Welling.

There being no other nominations presented, it was moved and carried that the Secretary cast the ballot of the meeting for the members named, and they were duly declared elected managers of the Society to serve until the third Tuesday of January, 1933, and until their successors shall be duly elected.

On the motion made by Mr. Theodore Shaw and seconded by Mr. Fred A. Poor, the following resolution was adopted:

RESOLVED, That the Constitution of the Society be and the same is hereby amended as follows:

(1) By changing the first sentence of the third paragraph of Article V which reads as follows:

"A President, a Vice-President, a Treasurer, a Secretary and an Assistant Secretary shall be elected annually by the said Board of Managers from their own number."

so that said sentence shall read as follows:

"A President, one or more Vice-Presidents, a Treasurer, one or more Assistant Treasurers, a Secretary and one or more Assistant Secretaries,

shall be elected annually by the said Board of Managers from their own number; but the said Board of Managers may appoint as an Assistant Treasurer a corporation incorporated under the laws of the State of Illinois or of the United States for the purpose of accepting and executing trusts and located in the city of Chicago, Illinois."

(2) By changing the words "the Vice-President" in Article VI to read "the Vice-Presidents in the order of their seniority."

AND FURTHER RESOLVED, That the By-Laws of the Society be and the same are hereby amended as follows:

(1) By changing Section numbered II of the By-Laws which reads as follows:

"II. OF THE VICE-PRESIDENT

In the case of the absence of the President, the Vice-President shall possess his powers and perform his duties, and in the absence of both the President and the Vice-President, the Managers present at any meeting shall appoint one of their number to preside."

so that said Section numbered II shall read as follows:

"II. OF THE VICE-PRESIDENTS

In case of the absence or disability of the President, the Vice-Presidents in the order of their seniority shall possess his powers and perform his duties."

(2) By changing the title of Section numbered III of the By-Laws from "III. OF THE TREASURER" to "III. OF THE TREASURER AND ASSISTANT TREASURERS," and by changing the last paragraph of said Section which reads as follows:

"In case of the sickness or temporary absence of the Treasurer, the President or President pro tem. may appoint a member of the Finance Committee to act as Treasurer pro tem., and in case of such appointment of Treasurer pro tem., the person so appointed shall have all the powers and perform all the duties of the Treasurer."

so that said paragraph shall read as follows:

"In case of the absence or disability of the Treasurer, the Assistant Treasurers in the order of their seniority shall possess his powers and perform his duties."

(3) By changing the title of Section numbered IV of the By-Laws from "IV. OF THE SECRETARY" to "IV. OF THE SECRETARY AND ASSISTANT SECRETARIES," and by changing the last paragraph of said Section which reads as follows:

"The Assistant Secretary shall possess all the powers, and, in the absence of the Secretary, exercise all the duties of the Secretary."

so that said paragraph shall read as follows:

"In case of the absence or disability of the Secretary, the Assistant Secretaries, in the order of their seniority, shall possess his powers and exercise his duties."

There being no further business, the meeting adjourned.

(Signed) WM. A. DOUGLASS,
Secretary.

REPORT OF THE PRESIDENT

The history of the Presbyterian Hospital from the date of its charter in 1883 has been a noble story—noble in sacrifice and achievement. This performance has been possible because of enlightened business management, a great medical, surgical and nursing staff, and through the efforts of the Woman's Board. Thus the hospital has been a useful and necessary instrument in the life of Chicago for forty-six years. The problem of the future is how to maintain the royal standards of the past. The foundation of The Presbyterian Hospital is permanent and true because it has in it the element of the Divine. "Of old hast Thou laid the foundation of the earth and the heavens are the work of Thy hands. They shall perish but Thou shalt endure. Yea, all of them shall wax old like a garment, as a vesture shalt Thou change them and they shall be changed but Thou are the same and Thy years shall have no end."

The principle underlying all features of the hospital's management is well expressed in the immortal sentence: "I come not to be ministered unto but to minister." This is one of the great sentences of the English language.

During the past year Chicago has lost one of its most useful and distinguished citizens, James Alexander Patten. Mr. Patten was a great man and a man of great deeds. His life, though spent, will remain a continuing influence for good. He left us a fine legacy in service and substance rendered while he was here, and what is better, in wise counsel, admonitory and directive, as to the future policy of this institution.

I wish to express my appreciation of the many loyal friends who are so graciously supporting the hospital by their loyalty and their gifts.

ROBERT McDUGAL,
President.

In Memory of James A. Patten

Adopted by the Board of Managers of The Presbyterian Hospital of the City of Chicago, of which Mr. Patten was a valued member, at the meeting in regular session on Tuesday, December 18, 1928

In the death of James A. Patten, this Board, as well as our City and Nation, has lost a valued associate and beloved friend. It scarcely seems possible that as we meet in monthly session Mr. Patten is not with us, for he was one upon whom we have depended in matters of judgment and action.

Quiet and unassuming in manner, his rare insight and clear discernment were recognized by all who knew him. Clear, definite, determined, sympathetic, loyal and thorough, he faced problems as they arose, and although alert and quick in decision, he was always ready to re-open a question and deal with it fairly and constructively.

Mr. Patten had very real sympathy for those who were in distress, and his wise vision saw beyond the immediate relief in his consideration of the preventive, as well as the remedy. Hence, he had been for many years vitally interested in hospital work and gave of his time, energy and money to the problems related thereto.

Extremely democratic in spirit and friendly in attitude, he did not relegate to others the decisions in which his own judgment and interest were solicited.

Few great men have been so approachable as Mr. Patten, and the president of the smallest college received from him the same attention given to a great educational or spiritual leader.

Having made his own way from boyhood, and having met problems and overcome difficulties from his youth, he was kindly disposed toward those who were struggling.

Open-minded, frank, sincere, upright, energetic, simple and strong, he unconsciously gave the impetus and inspiration of his reassuring personality to those who were associated with him in responsibility.

His very presence and membership upon a Board, or in the consideration of a subject, attracted a sense of confidence and guaranteed cooperation on the part of others.

Only those, however, who knew him best understood him fully, for he usually had the modest reserve of those who are truly resourceful and great.

Tokens of respect and deep affection since his death have evidenced the varied and far-reaching personal influence of his well-filled life.

Mr. Patten combined manhood, character and true religion to a remarkable degree. He had learned to acquire and control, but he also knew the joy of sharing and cooperating.

Courageous, consistent, constructive and kindly, his nature revealed itself in a ready hand and a winsome smile. We are sure in meeting "The Great Physician" our friend heard the words: "Well done, good and faithful servant." Faith, Hope and Charity blended in his soul and the greatest of these was charity.

We, as a Board recognizing keenly our loss, desire to express to his beloved and bereaved widow and family our sincerest sympathy and very deep sense of affectionate regard for the one who no longer is to meet with us in our session.

A person once elected to annual membership may continue such a membership only on paying ten dollars annually.

Any person who shall pay not less than one hundred dollars in advance may, upon vote of the Board of Managers, become a life member.

Honorary members may also be constituted by vote of the Board of Managers.

Any of the honorary, life or annual members who may actually attend the annual or any of the special or other meetings of the Society shall have the right to participate therein along with the active members aforesaid.

ARTICLE IV

PROPERTY

All property of the Society, unless otherwise directed by the donors, shall be applied or be held to advance the general objects of the Society, as declared in the Certificate of Organization.

ARTICLE V

GOVERNMENT

The affairs of the Society shall be under the direction of the Board of Managers. Such Board shall consist of twenty-four persons, with the addition thereto of the pastors of the First, Second, Third and Fourth Presbyterian Churches of Chicago, now or hereafter respectively installed and acting as such pastors respectively, or in their stead the pastors of such other Presbyterian Churches of Chicago as the Clerical Board may deem wise to nominate, such pastors to be elected in regular course with other nominees. Such pastors are to constitute the Clerical Board.

Said twenty-four persons shall be, as at present, divided into four classes of six (6) each, such division having been made with reference to service for the terms of one (1), two (2), three (3) and four (4) years, respectively, of those first selected, and so that hereafter six managers shall be elected by the said Board annually, by ballot, to serve on the said Board for four years. Any vacancy occurring in the said Board of Managers, otherwise than by change of pastorate, as to said four churches, respectively, must be filled in like manner at any stated

or special meeting of the said Board; and if the vacancy be not so filled until a meeting of the Society shall occur, the same shall be filled by vote by ballot of the members of the Society attending such meeting.

A President, one or more Vice-Presidents, a Treasurer, one or more Assistant Treasurers, a Secretary and one or more Assistant Secretaries, shall be elected annually by the said Board of Managers from their own number; but the said Board of Managers may appoint as an Assistant Treasurer a corporation incorporated under the laws of the State of Illinois or of the United States for the purpose of accepting and executing trusts and located in the City of Chicago, Illinois.

Not less than eleven members of said Board shall constitute a quorum for the purpose of electing officers, making or changing By-Laws, or for holding any special meeting, but seven shall be a quorum for all other purposes and for stated meetings. The Board of Managers shall at all times be fully authorized to execute all powers of the Society over all the estate and property of the Society; to it shall be committed the care of the funds of the institution, authority to make By-Laws, Rules and Regulations, and to alter and amend the same; to fill vacancies in their own body, except as above provided, choose the officers of the Society, appoint agents, assistants and attendants and generally transact the entire business of the Society.

ARTICLE VI

MEETINGS OF THE BOARD

The Board of Managers shall hold stated monthly meetings on the third Tuesday of the month. Special meetings of the Board and of the Society may be called by the President, or, in case of his absence or inability to act, by the Vice-Presidents, in the order of their seniority, or on the requisition of five members of the Board of Managers; but when special meetings are called, the time and place of the meeting, and the subject proposed to be considered, shall be specified in the notice to the members, at least two days previous to the meeting, and no other subject shall be acted upon at such meetings.

ARTICLE VII

ANNUAL MEETING

The annual meeting of the Society shall be held on the third Tuesday of January in each year. It shall be the duty of the Board of Managers to make the necessary arrangements for this meeting; to present to the meeting, or adjourned meeting, a report of the proceedings and business matters of the previous year; to exhibit a full and accurate view of the state of the funds and property of the Society; and also to give information of any nature relating to the objects or affairs of the Society which may be of interest or importance. In case of failure to hold the annual meeting on the day specified, a special meeting shall be called for that purpose. An attendance of not less than eleven members—active, annual, life or honorary—shall be necessary for the transaction of business, except to adjourn to another time.

At such annual or adjourned meeting, six persons shall be chosen to supply the places of the class of Managers whose term of service is about to expire; that is, if vacancies exist. The persons so elected, together with those composing the other classes and the four other members of the Board provided for as aforesaid, shall constitute the Board of Managers for the ensuing year, and shall continue in office until their successors are elected.

ARTICLE VIII

BOARD OF CLERGYMEN

There shall be a Clerical Board, to consist of the four clerical *ex-officio* members of the Board, to whom shall be exclusively committed all matters relating to

the spiritual and religious ministration of the Hospital. The President of the Board of Managers, or in case of his absence or inability to act, the Vice-President, shall be notified of the meetings of the Clerical Board, and when present shall preside and vote at such meetings. It shall be the duty of the Superintendent and Chaplain, when requested, to attend these meetings of the said Board.

ARTICLE IX

AUTHORITY TO BORROW MONEY

The Board of Managers may upon consent of the Society, expressed by a vote of the majority of the members thereof, present at the annual meeting of the Society or at any special meeting thereof called for that purpose, provided, always that a quorum be present, borrow money to be used solely for the purposes of the Society, and may pledge or mortgage the property of the Society therefor.

The President or Treasurer may, from time to time, subject to the approval of the Finance Committee, renew any bond, note or other obligation executed under the powers aforesaid, without the necessity of any further vote of the members of the Society.

ARTICLE X

AMENDMENTS TO THE CONSTITUTION

Amendments of the Constitution shall be proposed in writing at a regular meeting of the Board of Managers, and may be acted upon at the next regular meeting of the Board, or a special meeting called for the purpose, and shall be adopted only upon a concurrence of a majority of the Board of Managers.

THE TWENTY-SIXTH (26th) ANNUAL REPORT OF THE SCHOOL OF NURSING

Mr. President and Members of the Board of Managers:

The twenty-fifth year of the school has passed, its anniversary being celebrated in late March with special features at the graduating exercises, at the annual concert and at the Home Coming of the graduates.

The activities of the year have been as usual, nursing and teaching. The outline of instruction as presented in the 1928 school announcement has been carried through in detail and the fact that our graduates are being sought after for all types of nursing would indicate that their preparation is along right lines.

The Presbyterian Hospital has required an average staff of 52 graduate and 126 advanced student nurses to meet the nursing needs of the institution, while the entire staff of the school has averaged 62 graduate nurses, 174 advanced students and 45 members of the preliminary class, totaling 281. While the members of the preliminary class are not considered in the total of service rendered to the Hospital their presence is of undoubted assistance in carrying on the work of the Pharmacy, the Surgical Supply and Central Tray Service Rooms, the Occupational Department, as well as aiding those ward floors to which they are assigned.

Besides nursing the patients of the Presbyterian Hospital students have been delegated, for their preparedness for graduate nurse work, to other city organizations which offer specialized experience. This group has accomplished 2,289 days in the clinics of the Central Free Dispensary with a total of 69 students during the year and a daily average of 6 on duty; in the Out Obstetrical Department of the Rush Medical College 47 student nurses averaging 3 daily, have made 3,427 calls in the homes, caring for 233 mothers and babies and have contributed 1,161 days to that service. At the Durand Contagious Hospital 19 students, a daily average of 5, have accomplished 1,736 days' nursing; at the Chicago State Hospital, 19, six at a time, 1,954 days; at the Chicago Lying-In Hospital 12 students, in groups of 4, 1,371 days; and with the Visiting Nurse Association of Chicago, 6 students, 385 days.

The Helen North nurse in 231 days' service has cared for 220 patients in the Presbyterian Hospital and the Gladys Foster or Free Ward nurse during 251 nights, 246 patients. An average of 91 graduate nurses have accomplished 32,744 days' special nursing to individual patients.

There have been received during the year 1,337 written inquiries regarding the school from interested young women and 227 formal applications, while approximately 139 personal interviews with prospective students were held. One hundred and twelve candidates were accepted. Ninety-eight entered during the year and 34 have dropped out due to illness or other causes.

The total amount of time lost by our students for various reasons is 8,686 days, of which 1,865 is due to illness, 640 days of this being in the first six months of the students' stay in the school. There have been on the part of 181 students 252 cases of illness of 53 different ailments, 20 being within the first six months of training. Following the illness, 93 required a leave of absence before returning to duty.

Several lengthy illnesses have appreciably run up the total, such as 2 duodenal ulcer cases requiring hospital care for respectively 97 and 72 days, one case of arthritis 31 days. The average time per student has been 10.3 days, with 6.4 days of hospital care. The Presbyterian Hospital has given 1,166½ days' care to our students and Durand Contagious Hospital 60 days. Detailed report of all illness may be found in the School Records.

Too much cannot be said in appreciation of the time given to the school by

Dr. George Dick, who not only makes daily visits to our sick nurses but opens up the privilege of his laboratory for their benefit. At this time also we wish to return most grateful thanks to all members of the medical staff who have unfailingly responded most generously to our call for assistance and through whose skill the school may report the death of only three student nurses in over twenty-five years.

The total number of our graduates now reaches 984, of which 66 were granted diplomas in 1928. While they are scattered all over this and other countries it is known that 210 are engaged in private duty, 165 in institutional positions, 88 in public health work and 15 in the Mission Field. This year the problem of non-employment has, for the first time, seriously touched our graduates, bringing to us the question of a possible over graduation.

The inability of the Sprague Home to provide beds for more than 225 at the utmost is another consideration which limits the number entering each spring and fall. With few exceptions all graduate members of the nursing staff have to secure bed rooms outside the institution, a condition especially undesirable for night nurses whose hours of duty require them to be on the streets between ten p. m. and midnight.

The three funds which the nurses are sponsoring are: The Mary Byrne Endowed Room, used by the Alumnæ for sick members, started in 1908 as a memorial to a student nurse who died from scarlet fever and now totaling \$19,586.88. The aim of the Alumnæ Association is to bring this to thirty thousand or the necessary amount to cover in full the cost of hospital care of its members.

The Gladys Foster or Free Ward Nurse Fund, established at the death of a second student nurse in 1918, during the influenza epidemic, is for the purpose of endowing a nurse to care for patients needing special care and unable to pay for it. The fund is now \$16,410.49—the desired amount being \$35,000.

The third fund, that for School Endowment, was started in 1919 by contributions given in memory of those of our graduates who died from service in the world war. It now amounts to \$24,744.50, with an addition of \$25,000 promised but not yet turned in by the Woman's Board of the Hospital. The Woman's Board has also generously contributed to the other two funds, making a yearly appropriation to the Ward Free Nurse Fund.

To the Woman's Board we wish to express our best gratitude for their kindly feeling toward us and for their active interest in all our undertakings: to Mrs. Ernest A. Hamill, Miss Helen V. Drake and other donors we extend our thanks; also to those members of the medical staff of the Hospital, Rush Medical College and Central Free Dispensary who continue their assistance in the valuable teaching given at the bedside or in the class room; to the graduate nurse group for their loyal support; to Mr. Bacon and his staff for their never failing co-operation; and to the Board of Managers of the institution for their wide outlook and generous policy of administration.

Respectfully submitted,

M. H. McMILLAN,

Director School of Nursing.
